Student Participation in Recesses

A reminder to all that students are expected to participate in outdoor recesses each day: morning, lunch time, and afternoon. As long as the weather is not too cold or stormy, recesses take place outdoors. Recesses are part of the school day and are mandated by the Ministry of Education. Please make sure your children have proper outdoor gear for the weather each day. Children who are not well enough to participate in all school activities throughout the day, including outdoor recesses, should stay at home until they have recovered enough to return to school and participate fully.
